Click on the title links for more details.

M&A Investment Banking Intern, Vermilion Partners, China

This is an opportunity to work in Vermilion Partners’ Beijing office as part of our Mergers and Acquisitions (M&A) advisory team, gaining experience in cross-border transactions and Chinese market conditions. The intern will participate as a full member of the team, offering support in deals sourcing, acquisition, target/prospective buyer searches, industry and company research, deal execution and some administrative tasks.

Telecoms marketing internship, Umniah, Jordan

Umniah is offering hands-on experience in one of the world’s most competitive and dynamic telecoms markets. The selected interns will take part in diverse activities and will have a role in one of the following teams: Marketing – Communications, Marketing – Market Research, IT Projects & Development, Digital Transformation.

Entrepreneurship Development Internship, The Copperbelt University, Zambia

Through the Entrepreneurship Centre, The Copperbelt University has partnered with the Copperbelt Leather Industry Cluster in undertaking the Leather Sector Industry Cluster formation project. The primary aim of the project is to enhance value addition to the country’s local leather and transform the cluster into a production hub for all types of quality leather goods. This will eventually enhance Zambia’s fight against poverty and unemployment that stand high.

This is an exciting opportunity for six interns who want to tap into the innovative potential of the Entrepreneurship Centre and hone their practical and problem solving skills using a real social and economic project.

Investment Analyst Internship, PGIM Fixed Income, London

Are you looking to grow your career and deepen your understanding of financial services products under the Asset Management umbrella? Are you interested in being a part of an exciting internship program that develops technical and professional skills in a growing Fixed Income business? Do you have a passion for working with talented professionals, and are adaptable and highly innovative, then PGIM Fixed Income is the place for you!

Market Analysis Internship, Phongsavanh Bank LTD, Laos

Phongsavanh Bank, established in 2007, is the first private locally-owned bank in Laos P.D.R. The aim of the internship project is to establish a set of market position indicators for the Bank to use in tactical planning beginning FY 2019. The intern will study and propose a set of market position indicators, design the process of incorporating these indicators into the Bank’s Planning, and deliver a training workshop for selected managers to use these indicators in the Bank’s planning process.
Bank Network Growth Internship, Phongsavanh Bank LTD, Laos

Phongsavanh Bank, established in 2007, is the first private locally-owned bank in Laos P.D.R. The bank is seeking an intern to establish a process for the planning and management of the network growth of the Bank. The intern will study, benchmark and propose a process for the planning and management of the network growth of the Bank that meet the project criteria for adoption by Senior Management.

Economics Consultancy Internship, Oxera Consulting LLP, Berlin or Rome

This is an excellent opportunity to gain experience working for an international company, learn about economics consulting, and get to know Oxera while working closely with senior members of staff on projects across a variety of industries. You will be working on projects within Competition, Regulation, Modelling and/or Finance depending on the skills you have and across a variety of sectors like Telecoms, Financial Services, Transport, etc.
