Dear Amber:

Thank you come to China from the UK with previewing tour to Avahi, to Montreal, finally came here. Although we can't you in language communication, it is not very convenient, and the time we share together is less, but in two weeks, you and we are a collective, as a family. Do you know how much we don't want to let you leave! I will miss you. We hope that you can come back here. Thank you.
