OXFORD UNIVERSITY CAREERS FAIR

TUESDAY, 12 OCTOBER 2021
STANDS LIVE: 12:30-17:30

Meet recruiters, attend presentations, browse jobs, and find out about different career options at our **careers fair for all sectors.**

www.careers.ox.ac.uk/fairs

WELCOME TO THE OXFORD UNIVERSITY CAREERS FAIR

This careers fair, organised by the Oxford University Careers Service, offers you the opportunity to find out about a variety of different career options across a wide range of employment sectors.

You will be able to meet a number of major recruiters that are keen to attract students and graduates to their organisations, compare different organisations and find out about graduate and work experience opportunities. Not all the recruiters participating in this event are giving a presentation in Oxford this year, so this may be your only chance to meet them informally.

Whether you know precisely what you want for your future career, are still deciding, or are just starting to think about what you want to do next, this is your chance to find out more.

Top tips

Use this booklet to plan your fair tactics:

- Check who is attending and read their booklet entry before you speak to them.
- Plan some questions to ask e.g. what are the pros and cons of their work? Or, what tips can they give you to increase your chances of being selected for work experience or employment?
- Be keen and attentive – first impressions count!
- Talk to as many people as you can.
- Remember to record who you spoke to and key points of your conversations.

ALDI STORES LTD

Ranked 5th in the prestigious Times Top 100 list of graduate employers, Aldi is a major food retailer with over 9,000 stores worldwide, and over 900 stores in the UK. With graduate vacancies throughout the UK for Area Managers, Aldi provide clear direction and leadership to a retail management team.

No other graduate programme offers so much responsibility so quickly, and training covers the complete spectrum of management, from store operations, financial administration, logistics and property management. After a year, you will be expected to be a fully functioning Area Manager, and responsible for up to 4 stores.

The starting salary is £44,000 rising to £79,040 after 4 years, and benefits include a BMW 3 series company car, pension scheme, private healthcare, life assurance and 5 weeks holiday, as well as significant progression opportunities, including international secondments, within the business.

Candidates will need to have a 2:1 at undergraduate level, 96 UCAS points (or equivalent on the old tariff) from your top 3 A-Levels, a full UK driving licence and the right to work in the UK.

AMAZON EU

All Amazon teams and businesses, from Prime delivery to Amazon Web Services, are guided by four key tenets: customer obsession rather than competitor focus, passion for invention, commitment to operational excellence, and long-term thinking. We are driven by the excitement of building technologies, inventing products, and providing services that transform the way our customers live their lives and run their businesses.

What unites Amazonians across teams and geographies is that we are all striving to delight our customers and make their lives easier. The scope and scale of our mission drives us to seek diverse perspectives, be resourceful, and navigate through ambiguity.

At Amazon, the spirit of innovation is part of our DNA. We strive to hire the brightest minds from universities all around the globe, for career opportunities throughout Amazon for students from all backgrounds. We are looking for current undergraduate and graduate students for internship and full-time opportunities in a variety of roles. We hire for teams across Amazon, including Amazon Web Services (AWS), consumer, devices, finance, legal, operations, and recruiting. Our Non-tech graduate opportunities are available across our Finance, Accounting, AWS and E-Commerce businesses.

AMERICAN EXPRESS

American Express is a global service company, providing customers with exceptional access to products, insights and experiences that enrich lives and build business success.

We employ more than 60,000 people across four continents and are proud to be recognised as one of the best places to work.

What we offer

Our 10 week Summer Internship Programme and 12 month Industrial Placement Programme offer a combination of training, networking and mentoring that help you develop both personally and professionally. Interns work on meaningful projects that link to our key business priorities, attend our Executive speaker series and participate in numerous exciting social activities. Both programmes act as a pipeline to our Full Time Graduate Programme.

The Full Time Graduate Programme for undergraduate and master's students starts in September. It's designed to expand your business expertise while helping you to accelerate your career from day one. Depending on the business area, you will experience an 18- or 24-month programme which offer real responsibility, challenging assignments, access to senior management, networking, buddy and mentoring initiatives.

INSTITUTE FOR FISCAL STUDIES

At IFS, we recruit top-quality economists. We specialise in the economic analysis of public policy, bridging the gap between purely academic research and issues of practical policy design or evaluation. You will carry out in-depth economic research and communicate your findings to politicians, journalists, academics and others such as campaigning groups and professional organisations.

You will work closely with colleagues in a small team as well as with other teams across the Institute; your colleagues will include policy experts and leading academics from the UK and overseas. We will support you in developing your skills, through further study, ad hoc training and by giving you opportunities to get involved with all aspects of research and communication right from the start.

We recruit annually for research economists, post-doctoral fellows, graduate scholars and summer students. We also consider applications for senior economists on an ongoing basis.

JACARI

Develop valuable employability skills and give back to your local community whilst at Oxford - Join Jacari today, and support a child with English as an Additional Language to reach their full potential!

Jacari is a registered charity that has been supporting school pupils in Oxford since 1956. As a Jacari volunteer, you would be matched 1:1 with a local child who needs additional support to improve their English language skills and confidence. You meet once a week for 1 hour (either online or in their home/school) to deliver a fun lesson.

You don't need teaching experience - full training is provided - but you will need to have a high level of English proficiency yourself (native speaker or fluent) and lots of enthusiasm! We welcome volunteers from all backgrounds. Volunteering is an excellent addition to any CV, and being part of Jacari is great experience for developing key skills such as teaching, time management, communication and planning.

WHITE SPACE STRATEGY

White Space is a strategy consulting firm with a completely fresh outlook on business and relationships. A place where company profitability is secondary to delighted clients and happy staff.

We uncover and analyse market information unobtainable anywhere else and harness it to drive strategy. If a brief is up our street, we believe we'd do a better job than any firm anywhere, and if it's not, we'll tell you. If we don't know the answer, we will find someone who does.

We're always collaborative and open, approachable and honest. We exist to help clients solve complex problems with the minimum of fuss. We're very different from most other consultancy firms. We work 45 hour weeks, we don't spend a lot of time in a suit or on client site, we are down to earth, relaxed, fun and experts at what we do. Other companies pay lip service to good causes. We use our unique skills to give free revenue growth consultancy to charities when we have downtime.
